

RECORDS OF SAYBROOK, CT.

[Continued from the Rev. SEYMOUR BAKER, of Haver, Ct.]

The following is a copy of the earliest Genealogical Records of Saybrook that are known. They are promiscuously mixed with the Records of land and town transactions in the first Vol., from which I have extracted them, changing the form as far as to bring them into alphabetical order, to bring all of the same names together. They are otherwise a faithful copy, and, I believe, not one is omitted.
